(Denial of Reactor Operator License)	)	

NRC STAFF RESPONSE  
TO MICHAEL L. PIASECKI'S  
REQUEST FOR HEARING

INTRODUCTION

On September 25, 2000, Michael L. Piasecki, an applicant for a reactor operator license, requested an informal NRC staff review of the proposed denial of his application, based upon the grading of the written test. On December 27, 2000, after review of the matter, the NRC staff (Staff) informed Mr. Piasecki by letter that the proposed denial had been sustained. By letter dated January 11, 2001, Mr. Piasecki filed a request for hearing within twenty (20) days of the date of the proposed denial. Mr. Piasecki supplemented his hearing request by letter on January 17, 2001.

On February 5, 2001, the Chief Administrative Judge of the Atomic Safety and Licensing Board Panel issued an order designating a Presiding Officer to rule on the request for hearing and, as necessary, to conduct an informal adjudicatory hearing in accordance with 10 C.F.R. Part 2, Subpart L.

The Staff hereby files its response to Mr. Piasecki's request for hearing, pursuant to 10 C.F.R. § 2.1205(g).

DISCUSSION

An applicant for a reactor operator license who desires a hearing on a proposed denial of a license application must file a request for hearing within twenty (20) days of the

date of the notice of the proposed denial. See 10 C.F.R. §§ 2.103(b)(2), 2.1205(b). Mr. Piasecki filed the instant hearing request within the appropriate time limit. Therefore, the Staff has no objection to the hearing request.

CONCLUSION

For the reason set forth above, the Staff does not object to Mr. Piasecki's request for hearing.

Respectfully submitted,

  
Jennifer M. Euchner  
Counsel for NRC Staff

Dated at Rockville, Maryland  
this 8th day of 2001.
