To Whom It May Concern,

This letter is intended to report the concerns of a lost device.  
The model number is P-2021-1303. The serial number is 120153.  
The device was used to blow dust and other particles off the part.  
The device was used in the Fabrication Paint Shop. According to the Paint Shop the device was misplaced. With the effort and support of the Paint Shop, we tried to locate the device. To prevent future losses the Paint Shop decided to use only one device. Thank you.

If you have any questions please feel free to contact me at 313-248-6042.

Sincerely

A handwritten signature in cursive script that reads "Larry Hathorne".
