U.S. Nuclear Regulatory Commission  
Attn: Document Control Desk  
Washington, DC 20555

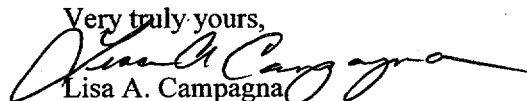

Subject: CE Nuclear Power LLC - Requests for Transfer and Amendment of Materials Licenses, Quality Assurance Program Approvals, Export Licenses and Certificates of Compliance.

References: 1. See the Attached List of Filings.  
2. US NRC Letter dated March 28, 2001 from M. F. Weber, Director Division of Fuel Cycle Safety and Safeguards, NMSS, to R. S. Bell, Jr., Vice President, General Counsel and Secretary, CE Nuclear Power LLC.

Gentlemen:

This letter provides formal notification of the merger of CE Nuclear Power LLC with and into its parent, Westinghouse Electric Company LLC, effective as of April 2, 2001. The merger transaction gave rise to the filings made in Reference 1 and is more specifically described in such filings. Pursuant to Reference 2, effective as of April 2, 2001, the NRC provided its required consents to the transfers and amendments requested by the Reference 1 filings. Should you have any further questions regarding this matter, please do not hesitate to contact me at the number listed above, or Robert S. Bell, Jr., also of the Westinghouse law department, at (860) 285-9780.

Very truly yours,

  
Lisa A. Campagna
