Subject: Fwd: FORTHCOMING MEETING WITH NRC, NEI AND PUBLIC STAKEHOLDERS

As I mentioned in our last Working Group Meeting, there will be an NRC/NEI/Public meeting on Wednesday, May 5th from 9-11am in O-8B4. Gary Holahan will be speaking at the meeting for the Technical Working Group, but at a very high level. He does not plan on going into any details, since we don't have any at this point.

This is only an FYI. You are not being asked to attend, but some of you expressed an interest in attending, so I wanted to make sure you were aware of the location and time.
