The Honorable Judd Gregg, Chairman

and the Judiciary
Committee on Appropriations
United States Senate
Washington, D.C. 20510

Dear Mr. Chairman:

On May 1, 2001, the U.S. Nuclear Regulatory Commission provided to you our responses to the preliminary questions which the Committee requested in preparation for the May 8, 2001, hearing on U.S. Federal Efforts to Combat Terrorism. Following submission of those responses, we have received input from the Office of Management and Budget and the National Security Council. The enclosed revised responses take into account that input. I am providing you with 40 copies of the revised responses, as well as a disk containing the responses.

If you or your staff have any further questions, please contact me or Betsy Keeling at 301-415-1691.

Sincerely,

/RA/

Dennis K. Rathbun, Director
Office of Congressional Affairs
