Specifically, I would like any and all of the following:

Records concerning any application for a license, certification or similar permit that is a prerequisite for the construction of a nuclear reactor or any components thereof made by Dauvergne Brothers Industries (DBI), Century Fuels Inc., DBI-Century Fuels Inc., (or similar derivatives) or Mr. Hector Dauvergne on behalf of any other commercial entity not previously identified.
2. Records of any communications between the person identified in paragraph two and any or all of the following NRC employees:

Mr. Samuel Collins;  
Mr. Jerry Wilson;  
Ms. Betty White;  
Mr. (first name unknown) Howell or Howard;  
Any other personnel within the Office of Nuclear Reactor Regulation; or  
Any personnel in any other NRC office responsible for licensing or certifying or otherwise approving the construction of a nuclear reactor or and components thereof.

Thank you in advance for your assistance and please let me know if you require any clarification about what I am requesting.

Very truly yours,
