PROPOSED LICENSE CONDITIONS FOR WESTINGHOUSE ELECTRIC CORPORATION
AND METALS AND CONTROLS, INC.

Enclosed for your information and review are two copies of proposed license conditions for Metals and Controls, Inc., transmitted by Mr. Page's letter of December 30, 1968, and an extra copy of Westinghouse Electric Corporation's proposed license conditions which were transmitted by Mr. Page's letter of December 27, 1968.

Although Mr. Page has requested additional information from both licensees, I would appreciate your comments on the proposed license conditions for both Metals and Controls and Westinghouse as now written by January 31, 1969.
