Subject: Revision to Security Plan

Pursuant to 10CFR50.54(p) and 10CFR50.4(b)(4) of the Commission's Rules and Regulations, Yankee Atomic Electric Company (YAEC) is informing the Nuclear Regulatory Commission (NRC) of a change to the Security Training and Qualification Plan for the Yankee Nuclear Power Station (YNPS). Revision 3 to the Security Training and Qualification Plan revises Section 1.2.2.2 to reflect the testing that is administered by the contractor performing the psychological examinations. An evaluation of this change in accordance with 10CFR50.54(p) has determined that it does not reduce the effectiveness of the YNPS Security Plan and the Security Plan as a whole continues to meet the standards of 10CFR73.55 and the requirements of Appendix B to 10CFR73 as applicable.

If you should have any questions, please contact Mr. James A. Kay (978) 568-2302.

Very truly yours,

YANKEE ATOMIC ELECTRIC COMPANY

Brian Wood
Decommissioning Manager/Site Manager
Yankee Nuclear Power Station
