SUBJECT: APPROVAL OF PROPOSED ACTIVITIES IN NON-AGREEMENT
STATES (NRC FORM 241) FOR CALENDAR YEAR 2001

Dear Ms. Dean:

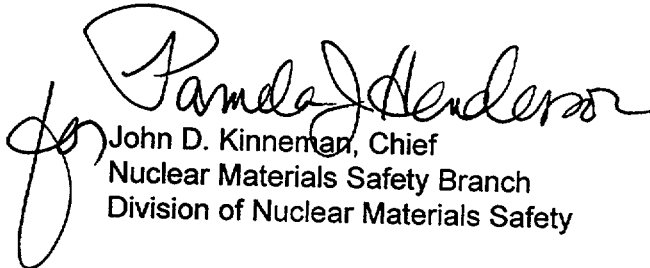

This acknowledges receipt of NRC Form 241 dated May 24, 2001, and the \$1,200 filing fee, which you submitted to report proposed activities in Non-Agreement States under the authority of the general license pursuant to 10 CFR 150.20.

In the future, please use the NRC Form 241 and mark the appropriate box for submitting revisions and clarifications. Please fax your revision or clarification and a copy of the appropriate fee to (610) 337-5269.

The NRC Form 241 must include specific changes, such as locations, dates of work and personnel. Work locations are subject to NRC inspection in accordance with requirements for a general license.

The total days of usage/storage through this reciprocity request is **64 days**. If you have any questions, please call Sheryl Villar (610) 337-5239 or Rebecca J. Brown (610) 337-5260. Your cooperation is appreciated.

Sincerely,

John D. Kinneman, Chief
Nuclear Materials Safety Branch
Division of Nuclear Materials Safety

Whitefield, New Hampshire 03598

Gentlemen:

This is to acknowledge receipt of your request dated March 28, 2001, for renewal of Radioactive Material License No. 419R. Since this application was received in a timely manner, you are hereby authorized, under the provisions of New Hampshire Rules for the Control of Radiation He-P 4030.12, to continue to operate under the authorizations of your present license during the interim review process until final action has been taken, or until April 30, 2002, by which time the Agency should have completed action on your request.

This letter should be retained in your files as verification that your license remains valid until an amendment extending the license is issued, or the request is denied.

Sincerely,

original signed by
DENNIS P. O'DOWD
