Duke Comments**

It is recommended that Draft Addenda Item 16 [Page 61, Section II.J.9, referring to EPA-520/1-75-001] be revised to state the following:

EPA issued EPA-400-R-92-001, May 1992, and the Food and Drug Administration, Department of Health and Human Services, issued "Guidance on Accidental Radioactive Contamination of Human Food and Animal Feeds; Recommendations for State and Local Agencies; Availability," on August 13, 1998, (63 FR 43402), which supersedes these documents.

It is recommended that Draft Addenda Item 23 [Appendix 2, page 2-2, referring to NRC Reg Guide 1.23] be revised to correct the typographical error appearing in the word "citation".
