Senator Nancy Chard
87 Chestnut Hill
Brattleboro, VT 05301

SUBJECT: NRC ANNUAL PERFORMANCE ASSESSMENT OF VERMONT YANKEE

Senator Chard:

The annual performance assessment of the Vermont Yankee Nuclear Plant has been completed in accordance with the NRC Reactor Oversight Process, using the most recent performance indicators and inspection findings from the last 12 months. The assessments reflect current licensee performance and are described in the enclosed Annual Assessment letter sent to the Vermont Yankee Nuclear Power Corporation on May 31, 2001.

On June 28, 2001, the NRC will meet with the management of Vermont Yankee to discuss their performance. The meeting for Vermont Yankee will occur at 10:00 a.m. at the Governor Hunt House on Governor Hunt Road in Vernon, Vermont.

I would like to personally invite you to attend this Annual Assessment Meeting. I will be available following the meeting to answer questions. In addition, there is another means for you to become familiar with the Reactor Oversight Process and the specific performance of Vermont Yankee. Through the NRC Web site, you can access the same information we use in our annual assessment of plant performance. This information may be accessed at <http://www.nrc.gov/NRR/OVERSIGHT>.

Your schedule permitting, I look forward to meeting with you on June 28, 2001. In the interim, please do not hesitate to contact me at 610/337-5211 if I can be of further assistance to you.

Sincerely,

/RA/
