Dear Dr. Meserve:

Upon the retirement of David D. Snellings on July 1, 2001, Mr. Bernard Bevill of the Arkansas Department of Health will become the interim leader of the department's Radiation Control and Emergency Management program. As such, he will be the Arkansas liaison officer with the U.S. Nuclear Regulatory Commission.

Mr. Bevill will also be the designated official in Arkansas to receive advance notification regarding transportation of pertinent shipments of nuclear waste, as required by amendments to 10 CFR Parts 71 and 73.

Mr. Bevill may be reached at the following address:

Arkansas Department of Health

The Radiation Control and Emergency Management office telephone number is (501) 661-2301, and the fax is (501) 661-2236.

Mr. Bevill has 26 years in the health physics field with state government. I am confident that his appointment will provide continuity in the relationship between the U.S. NRC and the State of Arkansas.
