Dear Ms. McIndoo:

Based on the information and test data submitted in your application dated August 9, 1991, and subsequent letters, with enclosures thereto, we have transferred the requested registration certificates to inactive status and have updated your active certificates as applicable. The enclosed list shows the old registration certificate numbers, the new registration numbers, the model numbers and status.

Please be advised that you must manufacture and distribute the products in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate.

Please read over the registration certificate in its entirety and notify us immediately of any errors or omissions.

You are obligated to notify us promptly in writing should you decide to no longer manufacture or offer service support for your products.

If you have any questions, please contact me at (301) 504-2503 or Mr. Steven Baggett at (301) 504-2542.

Sincerely,  
/S/
