SUBJECT: DISCONTINUED REVIEW OF REQUEST TO AMEND REGISTRATION  
CERTIFICATE NO. NR-0365-D-101-E

Dear Ms. Wilson:

We reviewed your application dated June 11, 2001, to amend your registration certificate (NR-0365-D-101-E) and found that we required further information to complete our review. In our letter dated July 5, 2001, requesting additional information, our enclosure summarized our areas of concern not addressed in your application. To date we have not received a response from you to our letter and consider your application as having been abandoned by you.

Therefore, we have discontinued our review of your request for amendment. This is without prejudice to re-submission of your application. When you re-submit your application for registration and license amendment, please ensure that you respond to our questions in our letter date July 5, 2001, and include sufficient information to allow NRC to evaluate your design.

If you have any questions, please contact me at (301) 415-5787 or Dr. John Jankovich at (301) 415-7904.

Sincerely,

/RA/
