CONSOLIDATED EDISON COMPANY OF NEW YORK, INC., ET AL.
(Indian Point Nuclear Generating Units 1 and 2)
Docket Nos. 50-003-LT and 50-247-LT

Dear Judge Young:

Pursuant to your direction to the NRC Staff contained in the Memorandum and Order issued August 30, 2001, I am forwarding to you herewith a copy of the NRC Staff's Order and supporting safety evaluation issued on August 27, 2001, in regard to the license transfers for the above-referenced units. The proprietary version of the safety evaluation clearly shows the shaded areas indicating the proprietary information. The approved conforming amendments are included as part of the package of materials, but please note that as of this date the amendments have not yet been issued since the actual transfer of the licenses is still pending.

Sincerely,

/RA/

Steven R. Hom
Counsel for NRC Staff
