Attention: Rulemaking and Adjudications Staff
Office of the Secretary
U.S. Nuclear Regulatory Commission
Washington, DC 20555

To Whom It May Concern:

I am opposed to the NRC proposed rulemaking as described in *The Federal Register*, April 16, 2001, Vol. 66 to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-the-record hearing process for the licensing of new reactors, the relicensing of aging reactors, and industry amendments to operating license safety requirements.

Thank you.

Sincerely,

A handwritten signature in black ink, consisting of a stylized 'M' followed by a large, sweeping loop that ends with a horizontal stroke.

Mark M Giese
