Attention: Rulemaking and Adjudications Staff

Sept. 14, 2001

Dear Sirs:

We have just had a tremendous tragedy. Let us not compound it by cutting down on the freedoms we all prize--specifically here the freedom to comment on nuclear matters.

I urge you not to consider new rulings which curtail in any way public participation in nuclear regulatory decisions.

This is a DEMOCRACY.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Barbara Brenner', written over the printed name.
