3. Agenda Changes Schmidt

Ray Paris (OR) member of the S-6 Ad Hoc Committee on Organizational Review requested discussion relative to the voting/associate membership category. Mr. Paris noted that when he summarized the results of the S-6 survey some of the associate members indicated that they were voting members, since they are eligible to vote in the election of officers. Mr. Paris felt that the Bylaws should be amended to change the word "Voting Member" to "Director Member" for the membership class. (See item 14 for more information).

4. Introduction of Board Members/How to communicate with the Board:

● Newly Elected Incoming Board Members Schmidt

Chairman Schmidt introduced the newly elected board members and requested that the individuals stand as they were being introduced:

Cindy Cardwell, Texas, Chairperson-Elect;

**Terry Frazee, Washington, Treasurer; and
Ron Fraass, Kansas, Member-at-Large.**

● **Current Board members Schmidt**

Chairman Schmidt also introduced the current board members:

Paul Schmidt, Wisconsin, Chairperson
Paul Merges, New York, Chairperson-Elect
Bob Hallisey, Massachusetts, Past Chairperson
Jim McNees, Alabama, Treasurer
Russ Takata, Hawaii, Member-at-Large
Gary Robertson, Washington, Member-at-Large
Julia Schmitt, Nebraska, Member-at-Large

Chairman Schmidt informed the membership of board members who would be rotating off the board at the end of this annual meeting following a term of three years, and requested appreciation for these members:

Gary Robertson, Bob Hallisey, and Jim McNees (as of June 30, 2001)

● **Web Site Changes in Support of Better Communications Schmidt**

In order to provide better support in communicating with CRCPD members, Chairman Schmidt informed the membership that two changes have taken place relative to the CRCPD web site. The "members forum" section has been expanded to be available to all CRCPD members while the "regulatory forum" section is only available to state members. Chairman Schmidt requested that members contact Bruce Hirschler (OED) relating to any problems accessing the two new web site sections.

Chairman Schmidt introduced the two new voting members: Linda Bruemmer, Minnesota, and Mayra Toro, Puerto Rico. He also announced that he would be mentoring Ms. Bruemmer and Robert Hallisey would be mentoring Ms. Toro.

Chairman Schmidt notified the membership that the Board agreed to expand the mentoring program to assist new members with a better understanding of CRCPD and to hopefully get them more involved in the work of the organization. Effective immediately, the Membership Committee will assign all new voting and associate members a mentor.

5. Moment of Silence Schmidt

Chairman Schmidt requested a moment of silence for the following individuals who have passed away during the last year:

Dick Fetz (former Voting/GA);
Debby Jackson (associate member/NE);
Phil Sumner (associate member/DC); and
Byron Keene (EPA Regional Representative).

7. **Approval of 2000 Business Meetings Minutes (Sessions 1, 2, & 3 mailed 10/20/00)**
..... Schmidt

ACTION: Roland Fletcher (MD) moved to approve the 2000 business meetings minutes (Sessions 1, 2, & 3). The motion was seconded and passed.

8. **Acceptance of Financial Report (handout)** McNees

Jim McNees, Treasurer, presented the Treasurer's Report as of March 31, 2001. In order to provide the membership with more detailed information relative to the budget, Mr. McNees presented information in the form of a slide presentation. Total assets as of March 31, 2001 were \$409,889.92 with a negative total liability of \$103,375.78 for a total equity of \$513,255.70. (See attachment for a copy of the Financial Report as of March 31, 2001 and the slide presentation).

ACTION: Paul Clemons (VT) moved to accept Treasurer's Report as presented. The motion was seconded and passed.

- **Registration Fees for Future Annual Meetings** Schmidt

Chairman Schmidt advised that the registration fee for this meeting were higher due to the decrease in sponsorship for social events and the higher cost of the meeting itself. He also advised that this was an odd ball year and that the OED has been directed by the Board to return the registration fees back to a normal fee structure.

- **Presence of DigiScript at this Year's Annual Meeting** Schmidt

Charles Hardin, Executive Director, provided an overview of the contract negotiated with DigiScript to digitally capture this year's annual meeting. He noted that some money will be made from this meeting, however, he was not sure of how much. CRCPD is to receive 20% of any revenues generated from materials captured at this meeting plus monies from CRCPD members who subscribe to the DigiScript's virtual library. Mr. Hardin noted that CRCPD members have free access to the 2001 annual meeting at no cost for the first year.

9. Status of CRCPD/CO Orphan Source Pilot Project Klinger/Hardin

Joe Klinger, E-34 Chair, provided a brief update relative to the CRCPD/Colorado Orphan Source Pilot Project. Mr. Klinger noted that a contract was successfully negotiated between the CRCPD and the state of Colorado relative to disposing of orphan sources. Chase Environmental was granted the bid to dispose of 30 sources for \$29,000.00. From lessons learned, Mr. Klinger will provide a report that will be used for establishing a national orphan radioactive material disposition program. The report is scheduled to be out by the end of May 2001.

10. Proposed Amendments to the CRCPD Bylaws Re: Article III-Membership, Sections 1 and 4, and Article VII-Election of Officers, Section 3 and 4) (mailed March 19, 2001/handout) Schmidt/Gorman

Pat Gorman, Deputy Director, proposed the following Bylaws amendments for consideration:

1. Incorporate Life Member into a category of membership;
2. Election of officers - providing election information on the CRCPD web site.

The following articles will be amended:

Article III, Section 1., Article III, Section 1. g., Article III, Section 1. h., Article III, Section 4., Article VII, Section 3., and Article VII, Section 4.

ACTION: Aubrey Godwin (AZ) moved to change the CRCPD Bylaws.
The motion was seconded and passed.

11. Analysis of Second Time Voting on Election of Officers by Voting and Associate Members Schmidt

Chairman Schmidt provided a statistical analysis of the election of officers, noting that out of 617 ballots mailed a total of 266 valid ballots were received; out of 52 eligible voting members 40 votes were received; and out of 565 eligible associate members 226 votes were received. Relative to the voting members' casting their votes, Chairman Schmidt noted a 2% increase from the 2000 election of officers. Chairman Schmidt encouraged all voting members/program managers to vote and to encourage associate members on their staff to cast their ballot.

12. Report from S-6 Ad Hoc Committee on Organizational Review Erickson

John Erickson, S-6 Chair, provided an overview of charges and an update of the recent activities of the S-6 Ad Hoc Committee on Organizational Review, highlighting the S-6 survey and results. The committee was tasked with reviewing the CRCPD organizational structure; position duties of all OED staff, elected positions and Washington presence; and make recommendations to improve effectiveness in conjunction with the

goals and objectives of the CRCPD strategic plan.

As a result of the survey and per the recommendation of the S-6 committee, it was agreed by the Board that a full time technical Executive Director would be recruited to spend an appreciable amount of time in the Washington, DC area, once appreciable is identified; the CRCPD *Newsbrief* will be published electronically; the travel budget will be reduced by 10%; and the Executive Director was tasked with finding innovative ways to obtain additional funding.

Due to the need to determine what was meant by appreciable amount of time, a subgroup was created within the Board to determine duties and how much time the Executive Director should spend in the Washington, DC area. This subgroup consist of Paul Merges, Paul Schmidt, Otha Linton, Charles Hardin, Mary Clark, and Lynne Fairobent. Once this information is known, the S-6 committee will develop a job description for the future Executive Director.

Aubrey Godwin (AZ) inquired as to why the CRCPD *Newsbrief* was not available to anyone to access on the web site. Charles Hardin, Executive Director, noted that the *Newsbrief* is the one item that all members receive for their membership dues.

In order to increase revenues, Pearce O'Kelley (SC) inquired as to whether consideration had been given to selling advertisements in the *Newsbrief*. He felt that it would be a good tool in assisting the states relative to obtaining useful information. Charles Hardin, Executive Director, commented that the Board's position was not to advertise in the *Newsbrief*, but felt it was time for the Board to revisit this issue.

13. Introduction/Discussion of Resolutions Schmidt

Chairman Schmidt advised that a proposed resolution relating to the report of budget and expenses was provided as a handout and requested introduction of other resolutions to be considered.

Jill Lipoti, Ph.D. (NJ), on behalf of the H-22 Task Force to Minimize the Risk of Fluoroscopy, introduced a proposed resolution relating to the prevention of unnecessary radiation exposure to patients from fluoroscopy.

ACTION: Jill Lipoti (NJ) moved to introduce the resolution and table the discussion. The motion was seconded and passed. *(Editor's note: Since Dr. Lipoti tabled the discussion of the resolution, the resolution will be discussed at a special interest meeting on Monday, April 30, 2001 followed by a discussion at the second business meeting).*

April 28, 2001

14. Classification of Voting/Associate Members Paris

Deferred to Business meeting on Monday, April 30, 2001.

INFORMATION ONLY

Chairman Schmidt announced that the state of Kansas will host the 2005 Annual meeting to be held in Kansas City, Missouri.

2. Discuss and amend proposed resolutions (*handouts*) Schmidt

Proposed resolution submitted by Jake Jacobi (CO), relating to report of budget and expenses:

In order to clear up any confusion, Chairman Schmidt requested that the proposed resolution submitted by Jake Jacobi (CO) be introduced for discussion.

ACTION: Don Flater (IA) moved that Mr. Jacobi's resolution be brought to the floor. The motion was seconded and passed.

April 30, 2001

Discussion was held relative to the proposed resolution, questioning as to why the resolution was needed. Since the author (Jake Jacobi, Colorado) of the resolution was not present, Diane Tefft (NH) commented on his behalf, noting that the resolution was proposed so that the budget and expenses would fit into the goals and objectives of the CRCPD Strategic Plan.

Charles Hardin, Executive Director, stated that presently there are five different categories where CRCPD has to account for monies from the federal government. And, if understanding the purpose of the resolution, it would require a sub item for each of the goals and a sub item for each of the objectives under the goals for the five different categories. Mr. Hardin further stated that when the resolution was shown to the CRCPD auditor, she stated it would be a nightmare to deal with and would cost the CRCPD a great deal of money due to the audit being much more complexed.

ACTION: A vote was taken on the resolution and the resolution failed unanimously.

Proposed resolution relating to prevention of unnecessary radiation exposure to patients from fluoroscopy:

A brief discussion was held relative to the proposed resolution relating to the prevention of unnecessary radiation exposure to patients from fluoroscopy. Dr. Jill Lipoti suggested rearranging paragraphs 6-9 so that 8 and 9 appear first followed by paragraphs 6 and 7.

ACTION: Jill Lipoti (NJ) moved to amend the resolution's paragraphs in the following order: #1, #2, #3, #4, #5, #8, #9, #6, #7, and #10. The amendment was seconded.

John Volpe, Ph.D. (KY) felt the resolution needed wordsmithing and volunteered to assist Dr. Lipoti with this task.

Chairman Schmidt requested that the resolution be tabled and brought back to floor after wordsmithing is complete for further discussion and action.

ACTION: Paul Clemons (VT) moved to table the resolution. The motion was seconded and passed. The resolution was tabled. *(Editor's note: this resolution will be brought back to the table at the Business Meeting on Wednesday, May 2, 2001).*

April 30, 2001

3. Report on Chairman's Involvement at the International Conference of the Radiological Protection of Patients (Malaga, Spain, March 25-30, 2001) (handout)
..... Schmidt

Chairman Schmidt provided a brief report relative to his involvement at the International Conference of the Radiological Protection of Patients in Malaga, Spain, March 25-30, 2001. Chairman Schmidt highlighted that it was a very large conference with approximately 1,000 people registered and it was the first ever national conference to discuss this topic. A proceedings will be published in the future including CRCPD's input.

Chairman Schmidt commented that this was an excellent conference, great promotional opportunity for CRCPD and a lot of information exchange for the future. In order to keep the international momentum going, Chairman Schmidt suggested the Board consider involvement in some additional international activities in the future.

4. CRCPD/OAS Relationship Schmidt/Sinclair

Chairman Schmidt provided an overview of the discussion between the CRCPD Board and Bill Sinclair, OAS representative.

Due to both CRCPD and OAS having significant issues relating to providing resources for NRC working groups, Bill Sinclair, OAS representative, requested that the CRCPD Board of Directors establish a liaison with OAS. Mr. Sinclair felt that one advantage of having a CRCPD liaison would assist with the coordination of assigning resources to NRC working groups. With more close coordination, it is possible that one person could represent both CRCPD and OAS.

Chairman Schmidt advised the membership that the Board agreed to delay any action pending a request for additional information as to the type of liaison position requested.

Jill Lipoti (NJ) requested that if a liaison is established that the liaison should express the opinions for the Non-Agreement states as well as the Agreement states.

5. Use of term "Voting" Paris

Ray Paris (OR), member of the Ad Hoc Committee on Organizational Review (S-6), noted as he was compiling the results of the S-6 survey conduct, he noticed that approximately 10% of the associate members listed their class of membership as voting member. Mr. Paris believing that there was confusion among the associate members

April 30, 2001

as to what is meant by voting, Mr. Paris proposed amending the Bylaws to change the word "Voting" to the word "Director". This proposal was made with the understanding that program managers not called directors would be included in this category.

ACTION: Ray Paris (OR) moved that we change the word "voting" to the word "director" in the membership class. The motion was seconded.

Charles Hardin, Executive Director, stated that in his opinion that there is some question about the ability of the body to change the Bylaws from the floor without sufficient notification. Mr. Hardin quoted the following from the Bylaws: "These Bylaws may be amended by time to time to better serve the purpose of CRCPD. Amendments may be proposed on the initiative of the Board or by a petition signed by five members who are eligible to vote. All provisions of these Bylaws shall be subject to amendment by the affirmative vote of a majority of those members eligible to vote, given at the Annual Meeting or at any special meeting, provided the notice of the proposed amendment is included in the notice of such meeting, subject to the conditions stated in Article X, Section 1." (*See Bylaws, Article XII, Section 1. and Section 2.*)

Following the determination by the Executive Director that an amendment to the Bylaws could not be offered and voted on at this meeting,

ACTION: Mr. Paris agreed to withdraw his motion and work through the OED to get this proposed change processed through the proper channels. The second was also withdrawn.

2. Action on proposed resolution (handout) Schmidt

ACTION: Paul Clemons (VT) moved to accept proposed resolution relating to prevention of unnecessary radiation exposure to patients from fluoroscopy. The motion was seconded.

It was noted that paragraph 8 needed amending to delete the word "to" and the following action was taken:

ACTION: Jill Lipoti (NJ) moved to amend the motion deleting the word "to" in paragraph 8. The amendment was seconded.

May 2, 2001

A brief discussion was held relative to listing the professional groups and federal agencies in the resolution that should be provided a copy of the resolution. Dr. Lipoti stated that the H-22 Task Force has a list and it will be provided to the OED for transmitting the resolution.

ACTION: A vote was taken on the amended resolution and the resolution passed as amended.

3. Closing ceremonies & recognition of outgoing Board members . . Schmidt/Merges

Chairman Schmidt thanked the CRCPD membership and the OED staff.

As his last act as the Chairman, Chairman Schmidt presented the incoming Chairman Paul Merges, Ph.D., with the traditional reign of the golden screw and the gavel.

As his first act as the Chairman, Chairman Merges recognized the outgoing Chairman, Paul Schmidt, for his many accomplishments as chairman and presented him with the traditional Chairman's plaque.

Chairman Merges recognized the following outgoing board members for an excellent job done while serving on the Board: Gary Robertson, Member-at-Large; James McNees, Treasurer; and Robert Hallisey, Past Chairperson. Each were presented with a desk plaque in honor of their dedicated service to the CRCPD Board of Directors and the membership.

In his opening remarks as the new incoming Chairman, Dr. Merges highlighted his goals for the coming year:

- S-6 report completion, including review of all CRCPD elected positions and the OED staff;
- Hopefully, jump start the recruitment of a new Executive Director on a full time basis, with a "substantial Washington presence";
- Expansion of the CRCPD *Newsbrief*, adding a cartoon; and
- Create a new working group - Naval Nuclear Propulsion Program;

Chairman Merges strongly encouraged member participation in CRCPD working groups and requested volunteers.
