SUBJECT: ACKNOWLEDGMENT OF THE FINAL DRAFT CHARACTERIZATION SURVEY
REPORT (AUGUST 2001) - MICHIGAN DEPARTMENT OF NATURAL
RESOURCES TOBICO MARSH STATE GAME AREA SITE, BAY COUNTY, MI
(TAC# L60509)

Dear Ms. Gruben:

We acknowledge your letter dated September 4, 2001, enclosing two (2) copies of the Final Draft Characterization Report with Appendices (August 2001) for the Tobico Marsh State Game Area Site Decommissioning Management Plan site (NRC License SUC-1581).

Your letter requests review of the report. However, we do not formally review separate characterization reports and we do not review draft reports of any type. Characterization data should be submitted to the Nuclear Regulatory Commission for review in the decommissioning plan as discussed in NUREG-1727, "NMSS Decommissioning Standard Review Plan." However, we will review the document to the extent necessary to support discussions on dose modeling and DCGL derivation. As a result of that limited review, we may have comments and/or suggestions on the report. However, such feedback should not be construed as resulting from a comprehensive review of the report.

I will contact you separately regarding your request to schedule a meeting with the NRC staff to discuss draft DCGLs and dose calculations.

If you have any questions concerning this letter, please contact me at (301) 415-6694.

Sincerely,

/RA/
