ADJUDICATIONS STAFF

Office of the Secretary
U.S. NUCLEAR REGULATORY COMMISSION
WASHINGTON DC 20555
ATTENTION: Rulemaking and Adjudications Staff

copy for PS

To Whom It May Concern at the NRC:

I am strongly OPPOSED to the NRC proposed rulemaking as described in The Federal Register, April 16, 2001, Vol. 66 to change the licensing hearing process for nuclear power reactors. The public is entitled to full and meaningful participation in an on-the-record hearing process for the licensing of new reactors, the relicensing of aging reactors and industry amendments to operating license safety requirements.
