Dear Mr. Meserve,

As the Chief Elected Official, State Senator, and State Representative of a host town for operating a nuclear power generating station, we write to ask you to verify that all steps necessary to meet the security demands of a "heightened state of awareness" are being met at Millstone Nuclear Power Station.

We expect that the Nuclear Regulatory Commission as the licensing agency can verify this to us and we expect that you can provide us with the necessary assurances that the standards of security necessary and sufficient are met and upheld.

Sincerely,
