Commercial Solvents Corporation moved out of Terre Haute many years ago. They sold the business and the building (at 1331 S 1st Street) has had many different occupants. It has been (IMC) International Mineral Corporation, Mallincroft, Pitman Moore and Schering Plough. Commercial Solvents used PO Box 420 and IMC used PO Box 207, Terre Haute IN 47808 as their mailing address. The address 1331 S 1st St. has a Moved Left No Forwarding Address in our computer system.

Sycamore Engineering's mailing address is PO Box 1056, Terre Haute IN 47808. They pay for caller service, which means they pick up their mail in a bag at the back door of the Post Office. They do not receive mail at 1010 Chestnut Street but that is the location of their business.

There is no such address as 1601 Maple Street.
