Dear Ms. Kime:

Attached is a corrected copy of the sealed source and device registration OH-1048-D-102-S, originally issued by the State of Ohio to SMV America, dated February 9, 2001, for the VCR Transmission Attenuation Correction Source Assembly. This document supercedes the previous registration in its entirety. Please substitute this document for the existing one in the National SS&D Registry.

Thank you for your assistance in this matter.

Sincerely,

Robert E. Owen
