re: In the Matter of Private Fuel Storage (ISFSI), Docket No. 72-22-ISFSI
Notice of Oversight in Not Electronically Filing Motion

Dear Administrative Judges:

On Wednesday, October 10, 2001 the State filed various documents with the Board and the Commission, all of which we thought were served electronically. We have now discovered that the State's October 10th Motion to Compel NRC Staff to Respond to State's Twelfth Set of Discovery Requests (Contention L, Part B) was not served electronically. In accordance with the Certificate of Service, the Motion was mailed by regular first class mail on October 10th.

The State is now electronically serving the said Motion and an amended Certificate of Service. The oversight occurred, in part, because on October 10th we were working under extremely difficult conditions; that day a virus had infected both our word processing and e-mail systems. Under these circumstance the State requests the Board find the State's Motion timely served.

Sincerely,

Denise Chancellor
Assistant Attorney General
