In the Matter of
Private Fuel Storage L.L.C.
(Independent Spent Fuel Storage Installation)
Docket No. 72-22-ISFSI

Dear Administrative Judges:

The NRC Staff has identified a typographical error in the "NRC Staff's Motion for Protective Order, and Response to 'State of Utah's Motion to Compel NRC Staff to Respond to State's Twelfth Set of Discovery Requests (Contention L, Part B)," filed earlier today. On page 5, line 11, of that document, the phrase "even if the State received such information," should be changed to read: "even if PFS had received such information, . . . "

I regret this error and trust that it did not cause any undue confusion.

Sincerely,

/RA/

Sherwin E. Turk
Counsel for NRC Staff
