PURPOSE: The Commission staff will conduct four public meetings related to the
issuance (November 9, 2001) of Draft Supplement 1 to the Final Generic
Environmental Impact Statement (GEIS) on Decommissioning of Nuclear
Facilities (NUREG-0586, August 1988) for the purpose of presenting
Draft Supplement 1 and soliciting comments. Although NUREG-0586
covered all NRC-licensed facilities, this supplement addresses only the
decommissioning of nuclear power reactors.

PURPOSE: The meetings will commence at 7:00 p.m. and will continue until 10:00 p.m. All meetings will be transcribed and will include (1) a presentation of the contents of the draft supplement to the GEIS, and (2) the opportunity for interested government agencies, organizations, and individuals to provide comments on the draft report.

Persons may register to attend or present oral comments at a meeting by contacting Mr. Dino Scaletti by telephone at 1-800-368-5642, extension 1104, or by Internet to the NRC at dgeis@nrc.gov no later than November 27, 2001. Members of the public may also register to provide oral comments within 15 minutes of the start of each session. Individual oral comments may be limited by the time available, depending on the number of persons who register. If special equipment or accommodations are needed to attend or present information at the public meeting, the need should be brought to Mr. Scaletti's attention no later than November 27, 2001, to provide the NRC staff adequate notice to determine whether the request can be accommodated.

The NRC staff will host informal discussions related to the Draft Supplement at one hour prior to the start of each session at 6:00 p.m.
