Subject: Re: IP2 JULY 20, 2000, HANDOUT

Hi Ian - sorry for any complications yesterday - this IP2 thing will be with us for a long time. I did not get anything from you yesterday. I'll check back this afternoon.

Wayne, EX 6

Did you get that file I sent you last night? I was pretty tired and made an e-mail address error, resulting in a failed mail notice. Sent it out again and made another e-mail address error, with the same result.

Ian
