SUBJECT: MAINTENANCE OF REFERENCE MATERIAL AT THE QUARRYVILLE  
LIBRARY FOR THE PEACH BOTTOM ATOMIC POWER STATION LICENSE  
RENEWAL APPLICATION ENVIRONMENTAL REVIEW

Dear Ms. Anderson:

On behalf of the staff of the Nuclear Regulatory Commission (NRC), thank you for agreeing to make the Quarryville Library available as a location where interested local citizens may have access to documents related to the NRC environmental review of the application submitted by Exelon Generation Company for a renewal of the operating licenses for Peach Bottom Atomic Power Station, Units 2 and 3. As noted in our discussion during my visit to your library on November 20, 2001, requests had been made by local citizens at a recent public meeting in Delta, PA that we use your library to broaden the public availability of the environmental review documents.

The NRC staff appreciates your willingness to assist the public in participating in our license renewal process. Your library will be placed on our distribution list for future documents related to our environmental review.

Thank you again for your cooperation and support. If you have any questions, please contact me at (301) 415-1444.

Sincerely,
