

December 5, 2001

MEMORANDUM TO: John W. Craig
Assistant for Operations
Executive Director for Operations

FROM: Michael J. Case, Director **/RA/**
Program Management, Policy Development and Planning Staff
Office of Nuclear Reactor Regulation

SUBJECT: Annual Compilation of Actions Taken By NRC on GAO
Recommendations

NRR has reviewed the GAO recommendation and the NRC response to the GAO report entitled, "Nuclear Regulation - Progress Made in Emergency Preparedness at Indian Point 2, but Additional Improvements Needed (GAO-01-605)." The response is current and accurate and needs no updating at this time. The staff continues to anticipate completing the assessment by February 2002, as stated in the NRC response to the GAO.

Please don't hesitate to contact Ron Villafranco at 415-1201 if you have any questions or require any additional information.
