FCExplain2=

ExpeditedProc1=

ExpeditedProc2=

1=Representing one of the affected parties in a lawsuit.

2=Will focus on indications of fault and will heavily analyze any information that tends to indicate who was at fault.

3=Primarily, this information will simply serve to better enhance our understanding of what happened. Any information presented to the public will likely be interpreted by an expert witness.

4=For potential jurors, they will have a much more in depth understanding of how radiation dosing machines operate and how technicians utilize them.

5=12-15 people.

6=A trial.

7=Free of charge for all those forced to attend.

8=Again, we are representing an affected party in a lawsuit. Thus, the interest is pecuniary.
