Subject: Nine Mile Point 2 first RPV surveillance capsule report

Steve:

We received your letters dated 3/8/01 and 10/22/01 on this subject. We reviewed both letters consistent with our current practice. There is no requirement or guidance that anything formal be issued as a result of our review; we are thus not issuing anything to you. Please be informed that our actions on your letters are complete and the associated TAC number, MB1481, is closed as of today.
