

Indian Point 2 Event Communication Planning

J/138

Briefing for
Commissioners Diaz and McGaffigan
December 6-7, 2000

Robert Schaaf, NRR/DLPM

Indian Point 2 Event Communication Planning

- **Communications Team**
- **Communication Plans**
- **Web Site**

Indian Point 2 Event Communications Team

- Assembled in accordance with Region I Charter dated February 22, 2000, and NRR Integrated Response Plan
- Coordinate stakeholder communications
- Staff from NRR, Region, OEDO, OCA, OPA

Indian Point 2 Event Communications Team (cont)

- Facilitated consistent Agency position in discussions with external stakeholders
- Facilitated efficient staff utilization in responding to stakeholder correspondence

Indian Point 2 Event Communication Plans

- Defined staff responsibilities for stakeholder notification and sequence
- “Question and Answer”-style talking points developed to assist staff notifying stakeholders

Indian Point 2 Event Web Site

- Established to provide central source of information for public
 - ▶ event sequence
 - ▶ generic steam generator tube degradation and inspection issues
- Expanded to serve as readily-accessible repository for all event-related documents
