Dear Sirs:

**Subject: Palo Verde Nuclear Generating Station (PVNGS)
Units 1, 2 and 3
Docket Nos. STN 50-528/529/530
Request For Documents to Be Withheld From Public Disclosure**

On Monday, November 11, 2001, NRC Special Agent FitzGibbon, NRC Region IV Office of Investigations, met with members of the Palo Verde Nuclear Generating Station security force. During Special Agent FitzGibbon's visit, certain documents were provided to him including several security incident reports and a security search post videotape. Due to the current heightened security measures being taken at Palo Verde and the nature of the documents provided, Arizona Public Service Company (APS) considers the material confidential. APS requests that all documents provided to Special Agent FitzGibbon on Monday, November 11, 2001 be withheld from public disclosure pursuant to 10 CFR 2.790 and 10 CFR 9.17.

There are no commitments made to the NRC by this letter.

Please call Dan Marks at (623) 393-6492 if you have questions or require additional information.

Sincerely,

Daniel Marks
