**PROGRAM MANAGEMENT INFORMATION: NOTIFICATION OF UNAVAILABLE MAIL
SERVICES (STP-02-007)**

The temporary closure of the Brentwood mail facility, serving zip code 20555, has resulted in a backlog of undelivered mail to the NRC. The Office of State and Tribal Programs is currently receiving mail dated from November 2001. The U.S. Postal Service is continuing, and will continue for the foreseeable future, to irradiate first class mail using an electron beam to cleanse mail of possible anthrax. This will continue to cause delays in delivery to this office. Until further notice, we request you submit items that are time critical by electronic means, fax or Federal Express addressed to:

Office of State and Tribal Programs
U.S. Nuclear Regulatory Commission
11555 Rockville Pike, OWFN-3C10
Rockville, MD 20852
