Re: Regualification of Okonite Okolon 1/C #12 Cable

Dear Mr. Pack:

By letter dated December 20, 2001, The Okonite Company provided the NRC with the test program conclusions and summary information on the requalification program of 1/C #12 AWG EP (Okonite) CSPE Hypalon (Okolon) bonded composite cable. In response to our request, the final test report was provided by Okonite to the NRC by letter dated January 25, 2002.

The NRC staff is evaluating the requalification test results of this Okonite cable. The NRC staff will complete its review of the Okonite Okolon 1/C #12 cable qualification test results by April 1, 2002, and issue a letter to Okonite on our findings. Please contact Paul Shemanski at 301-415-1377, pcs@nrc.gov or Cornelius Holden at 301-415-1288, cfh@nrc.gov if you have any questions on this issue.

Sincerely,

Samuel J. Collins, Director
Office of Nuclear Reactor Regulation
