**NOTICE OF DOMINION NUCLEAR CONNECTICUT, INC.'S
SECOND PRODUCTION OF DOCUMENTS TO INTERVENORS**

I. Introduction

In accordance with the directives of the Atomic Safety and Licensing Board ("Licensing Board") in its November 5, 2001, Memorandum and Order (Telephone Conference Call, 10/31/01; Schedules for Proceeding), and the rules and procedures of 10 C.F.R. Part 2, Dominion Nuclear Connecticut, Inc. ("DNC") hereby produces, in response to Intervenor's Second Set of Interrogatories and Request for Production in the Reopened Proceedings, the requested document as stated below.

II. General Objections

DNC's production of documents is subject to the general objections stated in DNC's Response to Intervenor's First Set of Interrogatories and Request for Production in the Reopened Proceedings, filed November 21, 2001, and in DNC's Response to Intervenor's Second Set of Interrogatories and Request for Production in the Reopened Proceedings, filed December 20, 2001.

III. Requests for Production

Subject to the aforementioned objectives, DNC hereby responds as follows to

Intervenors' specific document requests:

1. Please produce the last report prepared by the licensee and filed with the NRC in 1980 inventorying the missing spent fuel rods..

Response: This document is produced as L013745 - L013749.

2. Please provide a complete list of low-level radioactive waste contractors and their business addresses used by Northeast Nuclear Energy Company from 1972 to the present time.

Response: As noted in DNC's Response to Intervenors' Second Set of Interrogatories and Request for Production in the Reopened Proceedings, dated December 20, 2001 ("DNC's Response to Intervenors' Second Discovery Request"), DNC objects to this discovery request on the grounds that the information sought is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

3. Please produce all documents substantiating the responses to Interrogatory 1, a through n.

Response: As noted in DNC's Response to Intervenors' Second Discovery Request, DNC objects to this discovery request on the grounds that the information sought is irrelevant, immaterial, and not reasonably calculated to lead to the discovery of admissible evidence.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert M. Rader", written over a horizontal line.
