(Independent Spent Fuel Storage Installation)  
Docket No. 72-22-ISFSI

Dear Administrative Judges:

This is to confirm that , at the request of the NRC Staff ("Staff"), a telephone conference call was held this afternoon among Counsel for the State of Utah, Counsel for Private Fuel Storage, L.L.C., Counsel for the Staff, and Licensing Board Chairman Farrar. Therein, the Licensing Board Chairman granted the Staff's unopposed request to permit written testimony on aircraft crash issues (Contention Utah K) to be filed by all parties on February 19, 2002, in lieu of the date set forth in the Licensing Board's "Order (General Schedule Revision)," dated September 20, 2001.

Sincerely,
