EMCB's Phonecall Notes

- Cheryl Beardslee Khan
- John Tsao

- Stephanie Coffin did not save her notes from the calls she participated in (she may not have participated in the calls)

EMCB did not collect:

NRC FM's (Jeff Harold?)

Phil Bush - ex-NRC employee (EMCB)

→ We do not know whether he still has his notes

No one from EMCB has any recollection of participating in a call on June 29, 1997. Apparently Joe Canasoco, Region 1, did participate in this call and has notes on the call.
