Bill, regarding Dave Lew's e-mail, below, either the 20th or the 21st work for me; although I understand from Pat M. that it may need to be the 20th so DLPM can support. However, before I respond to Dave, we need to discuss who from DE needs to attend the subject meeting and make sure the 20th will work for them, too.

We are still working with the licensee to set a date for the Reg conference. The 14th date as reflected in the inspection report was still being worked, but has now fallen through. I am now working on September 20 or 21st, either 10:00 am or 1:00 pm. Please let me know your availability, or preference. Thanks.

Dave
