Subject: Re: Support of IP2 Onsite Review

David,

The idea of sending Laura Dudes sounds very good to us. Has anyone spoken to her and is it ok for us to get in touch with her?

Ted

Ted,

Unfortunately Craig Smith has a personal conflict which prohibits traveling next week. We can send Laura Dudes, who has had Zetec training as well as familiarity with IP2 as a resident inspector. Let me know if this meets your needs.
