Dear Sheryl,

Please include the following amendments (47 & 50) to our RAM license (MD-31-088-02) that you have on file. Our RSO had Amendment 47 on file, but we realized I didn't it in my "working copy," which I use to file reciprocity. Please note that we have not received amendments numbered 44, 46, and 49 from the Maryland Department of the Environment. I am actively pursuing getting copies of these amendments.

If you have any questions, please contact me at 301-948-2450 ext. 400. Thank you.

Sincerely,

Dennis Jones
