Dear Mr. Sturz:

We have completed inactivation actions on the enclosed Sealed Source and Device (SS&D) registration certificates for AEA Technology QSA, Inc. The registration numbers for these certificates, along with the associated model numbers, are provided in the attached table.

Please note that certificate number MA-1059-S-804-S is not included in the shipment since additional work was necessary and the folder was "pulled" from the lot. It will be sent in the next correspondence.

If you have any questions please contact me at (617) 727-6214.

Sincerely,

A handwritten signature in cursive script, reading "Agostino Savastano".
