SUBJECT: Mailing Lists

Please delete my name from any mailing lists that USNRC maintains. I have become a healthcare executive with virtually no responsibility for radiation safety or nuclear regulatory affairs.

To the best of my knowledge, the only mailing list on which my name appears is the NMSS Licensee Newsletter (mailing label enclosed). At one time, I was receiving Draft Regulatory Guides, but I recall asking that my subscription be cancelled; I haven't received any DRG's recently.

Thank you.
