**SUBJECT: CORRECTION TO LETTER DATED JANUARY 15, 2002, REGARDING
ALTERNATE REQUALIFICATION PROGRAM FOR SENIOR REACTOR
OPERATOR DETAILED TO INDIAN POINT 2**

Dear Mr. Herron :

In a letter dated January 15, 2002, we incorrectly stated that Mr. William H. Pendergrass, NRC license number SOP-43034-4, Docket No. 55-9436, was detailed to the Institute of Nuclear Power Operations (INPO).

Please note that our approval of the alternate requalification program you proposed was based on the undue hardship imposed on Mr. Pendergrass by maintaining him in your requalification program while he is assigned to the Indian Point Unit 2 facility. We determined that the alternate requalification program you proposed combined with the fact that Mr. Pendergrass is currently working in a plant operations environment was acceptable.

A corrected version of that letter is attached for your records. If you have any questions concerning this matter, please contact me at (817)860-8159.

Sincerely,

/RA/

Anthony T. Gody, Chief
Operations Branch
Division of Reactor Safety
