Subject: Brief on IP2 SG Inspection Rpt

The briefing that you requested before issuing the Indian Point 2 steam generator inspection report has been scheduled for 3:00 - 4:00 pm, Wednesday, August 30. The briefing will take place in Sam Collin's office. Region I will be teleconferenced for the brief.

Copies of the Inspection Report, Q&A's with summary, and Press Release will be distributed before the brief.

For your information, the ACRS Brief on the August 99 and February 00 events and AITs will also occur tomorrow from 10:30 am - 12:00 noon.

The Region and Resident Inspection staff may use the following bridge number:

Phone: 301-231-5539

Access Code: [REDACTED]

EX. 2

EX 2

Lines available: 5 plus headquarters tie-in from the brief location.

CC: Bill Bateman, Brian Holian, Diane Screnci, Edmu...
