ACRS SUBCOMMITTEE ON PLANT LICENSE RENEWAL TO MEET IN FLORIDA CITY, FLORIDA, ON MARCH 13

The Nuclear Regulatory Commission's Advisory Committee on Reactor Safeguards (ACRS) has scheduled a meeting of its subcommittee on plant license renewal on March 13 at City Hall in Florida City, Florida. The subcommittee will review the NRC's Safety Evaluation Report on the license renewal of Turkey Point nuclear power plant, Units 3 and 4. The plant is located near Homestead, Florida.

The meeting, which is open to the public, will be held at City Hall, located at 404 West Palm Drive, Florida City, from 1:30 p.m. until 4:30 p.m. Oral statements may be presented by members of the public with the concurrence of the subcommittee chairman.

For more information and schedule updates on the meeting, or an opportunity to provide oral statements or written comments, please contact Noel Dudley, at 301-415-6888, e-mail at nfd@nrc.gov. Other aspects of the meeting were described in the January 31 edition of the *Federal Register*.
