SUBJECT: FORMER AEC LICENSE NO. 31-05489-05

Dear Ms. Troxler:

Please find enclosed the docket folder for AEC License No. 31-05489-05 which authorized the use of licensed material by Allied Chemical Corporation in Baton Rouge, Louisiana. This license was issued by the AEC to Allied Chemical's corporate offices in New York in 1959 and contains documents up to the time that Louisiana became an Agreement State in 1967. Mary Haik of your office previously provided information to this office that Honeywell International is still operating at the same location under Louisiana License No. LA-2192-L02.

We appreciate Ms. Haik's efforts in resolving this matter. Thank you for your cooperation.

Sincerely,

Original signed by Duncan White
