Dear Cheryl:

Please find a completed NRC Form 241 which indicates our request to use our NDC Gauge in the State of New Jersey. I am also including a copy of the certificate of the individual who will be using the gauge and an updated copy of our New York State License. When I initially filed for reciprocity on January 31, 2002, our New York State License reflected our old company name (Thermo Fibertek, Inc., d/b/a AES Engineered Systems). We have since received an updated licence which now reflects our correct company name.

If you see any problems with this information, please let me know.

Thank you for your help.

Regards,

KADANT AES
