To Whom It May Concern:

I would like to notify you of our intentions to contract Thermo Measure Tech, 2555 North IH-35, Round Rock TX, 1-800-736-0801, for the purpose of decommission several nuclear density meters that were installed, but not placed into service or found not useful in our process control. We will dispose of six instruments containing 50mCi of Cs-137 and sixteen instruments containing 100mCi of Cs-137. We still have 23 instruments on site containing various levels of Cs-137 and will continue to adhere to all testing and policies set forth by your organization.

Thank you,

A handwritten signature in cursive script, reading "Joseph M. Bonfield".

RSO of Harrison Power Station
