PART I.C COMMENTS (Use attached Comments continuation page if required)

The NRC does not have copies of any logs or charts as described in the FOIA request. The licensee is required to maintain such data. However, some of the information you are seeking is contained in the licensee's Semiannual Effluent Release Reports and the Annual Radiological Environmental Operating Reports. Enclosed, on Appendix A, is a list of the reports dated between 1979 and 1984. The records are already publicly available in the NRC Public Document Room (PDR). We have enclosed a notice which provides procedures for obtaining records from the PDR. Since you are entitled to 100 free pages, enclosed are copies of documents A/3 and A/4. The NRC does not have any of the information prior to 1979.
